OUR MESSAGE

It is the effective and distinguished participation in providing high-quality services in the field of oil sectors and providing our customers with a wide range of the latest products and services that are more environmentally friendly and cleaner in accordance with the latest standards of distinction and international accreditations. We would like to ensure that, through our experience and goals, we are fully prepared to implement what is required to be done to the highest specifications while maintaining the quality of our services and in the shortest possible period of time, hoping that we will always live up to our customers' expectations of us.

About company

Valley Well Company is a 100% independent, national Iraqi company established in 2021. The company aims to provide high-quality services to the oil and gas industries, establish water treatment units, and enter the field of equipping all operating companies for government and private refineries and service communities in the service of our beloved country. The company aims to provide all these services within the framework of ensuring and protecting the environment of Iraq and neighboring countries by implementing international standards for health, safety and environment.

Vision

The elements of quality and safety are among the most prominent elements that we put among our priorities that we cannot be complacent, and one of our priorities is to work to improve quality in all our work with an excellent quality and safety system that keeps pace with the continuous challenges and is in line with the requirements of different customers. The most important procedures of our quality policy are the permanent inspection and periodic monitoring of various works and measuring the satisfaction of our customers with the services we provide to them and taking sufficient safety and security precautions.

Mission

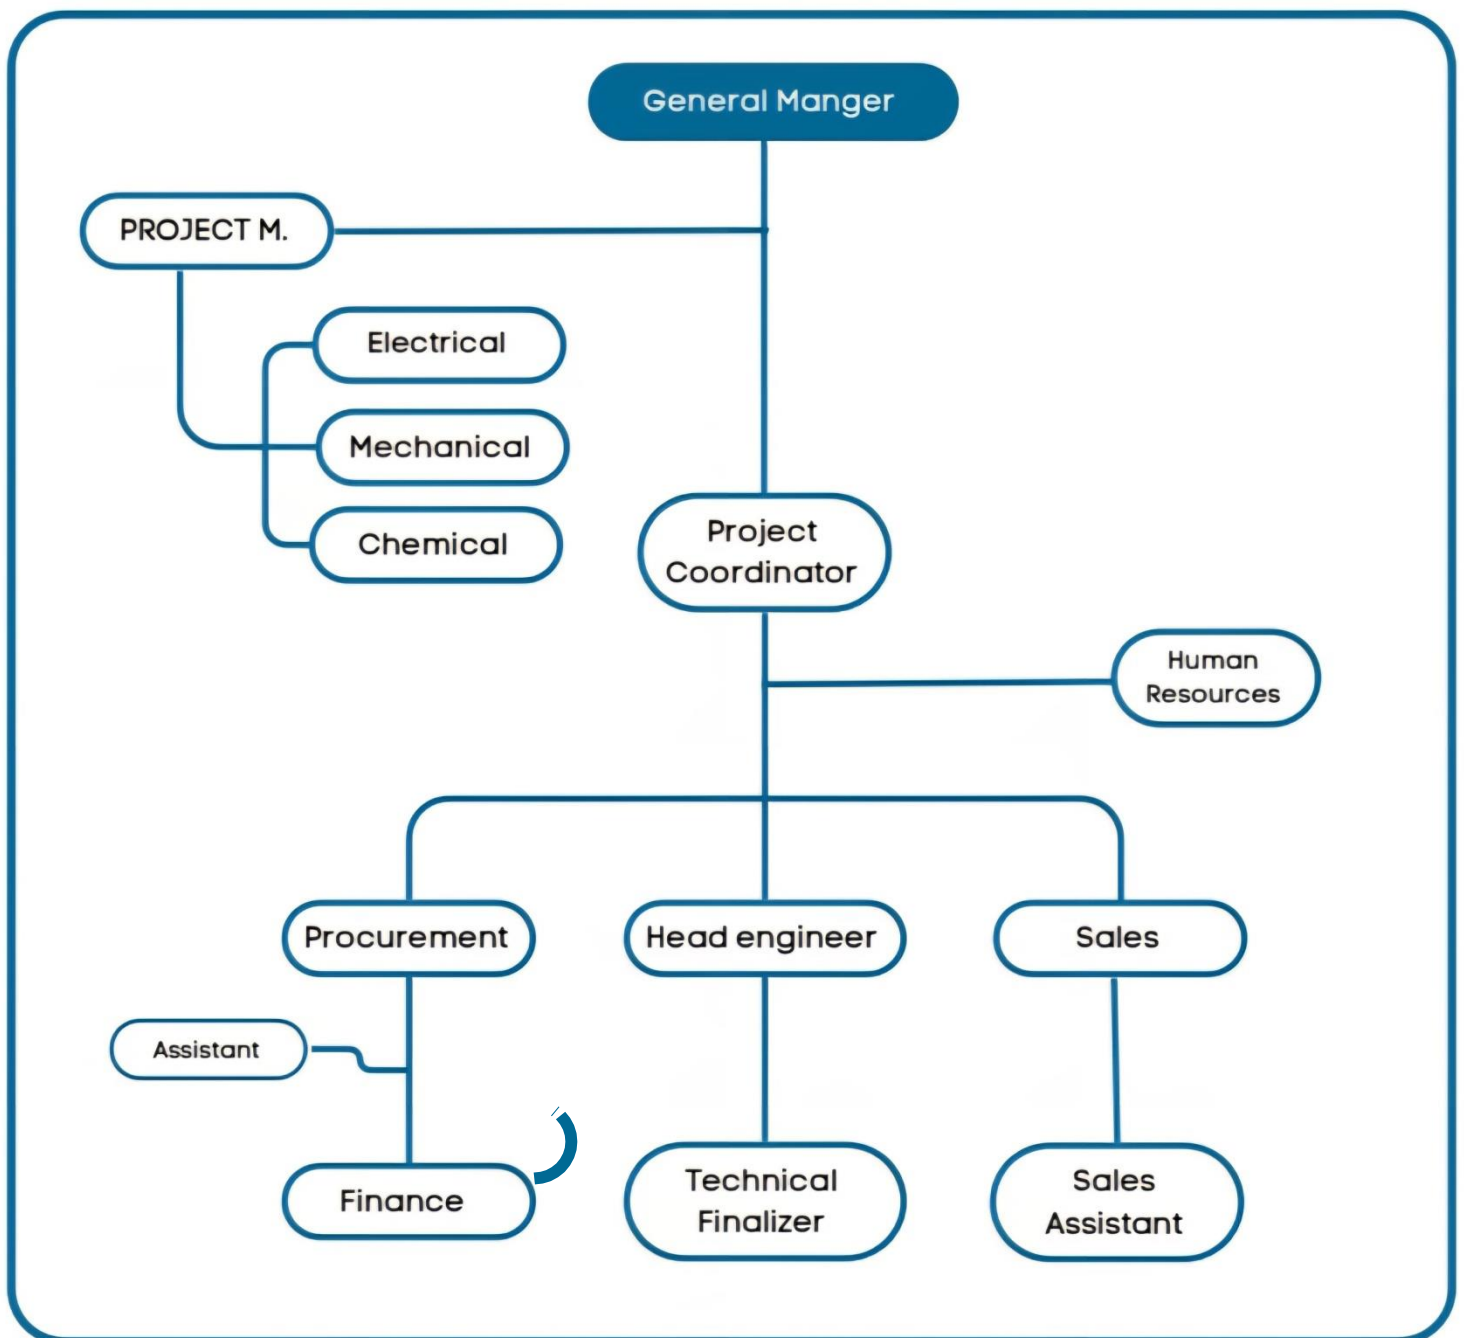

Our mission is to be distinguished and distinguished in providing high-quality services in the oil field and providing a wide range of guests with the latest products and services, the most diverse in programming and the cleanest in accordance with international training and accreditation standards. We would like to ensure that, through our experience and goals, we are fully aware of what is required to be done with the specifications, along with a summary of the quality of our services and in the shortest period of ninety-nine hours, hoping that it will always be good according to the customers' opinion of us.

OUR MANUFACTURING PARTNERS

Consultancy

- ♦ Supply & installation of water test pumps

Total Budget : 47,750.000 IQD

Location: Baghdad, Midland Refinery Company (MRC)

Company Date : May, 2022

- ♦ Supply & installation of diesel welding machines

Total Budget : 993,750.000 IQD

Location: Baghdad, Midland Refinery Company (MRC)

Date : May, 2022

OUR MANUFACTURING PARTNERS

- ◆ Supply & installation of hilti drill

Total Budget : 63,820.000 IQD

Location: Baghdad, Midland Refinery Company (MRC)

Date : July, 2022

- ◆ Supply & installation of electrical welding machine (SMAW)

Total Budget : 99,255,000 IQD

Location: Baghdad, Midland Refinery Company (MRC)

Date : November, 2022

- ◆ Supply & installation of electrical welding machine (GTAW) TIG

Total Budget : 98,240,000 IQD

Location: Baghdad, Midland Refinery Company (MRC)

Date : November, 2022

OUR MANUFACTURING PARTNERS

- ◆ Supply & installation of electrical cutting machines with accessories

Total Budget : 82,500,000 IQD

Location: Baghdad, Midland Refinery Company (MRC)

Date : November, 2022

- ◆ Supply & installation of 2*2mva Cummins generator operated with SCADA

Total Budget : 2,100,000.000 IQD

Location: Samawa, Refinery

Date : Dec, 2022

- ◆ Supply & installation of Explosion-Proof Fluorescent Lamp

Total Budget : 192,000.00\$

Location: Baghdad, Midland Refinery Company (MRC)

Date : January, 2023

OUR MANUFACTURING PARTNERS

- ◆ Supply & installation of cable pulling machine with accessories

Total Budget : 232,000.00\$

Location: Baghdad, Midland Refinery Company (MRC)

Date : March, 2023

- ◆ Supply & installation of diesel generator 500KV

Total Budget : 166,500.000IQD

Location: Baghdad, Midland Refinery Company (MRC)

Date : July, 2023

- ◆ Supply ABB M.V substation Spare part for total of 12 stations to station

Location: Baghdad, Midland Refinery Company (MRC)

Total Budget: 580,000.00\$

Date: Sep, 2023

OUR MANUFACTURING PARTNERS

- ◆ Supply & installation of automatic welding machines

Total Budget : 509,095.000 IQD

Location: Baghdad, Midland Refinery Company (MRC)

Date : January, 2024
